# ¿Cómo descargar Visual Studio Code?

The screenshot shows the Visual Studio Code website. On the left, there's a section titled "Code editing. Redefined." with the text "Free. Built on open source. Runs everywhere." Below this is a "Download for Windows" button and a table for other operating systems. On the right, there's a preview of the Visual Studio Code editor interface with various panels open, including the Explorer, Search, and Source Control panels.
